

## Traveling with minors

### Estonia domestic routes

Traveling on Estonia domestic routes, minor (0-7 years included) must have an attendant. Minor who is at least 8 years old can travel without attendant/parents, in case child parents are aware of child location and child have the opportunity to contact with parents. The legal guardian is responsible for the minor child! On Estonia domestic routes the minor attendant can be his/her at least 10 years old family member or at least 18 years old attendant (not a family member).

When planning a trip for a minor, please take into account the Child Protection Act, which states that minors under 16 years of age may not be present in public places unaccompanied at 23:00-06:00 (01.06-31.08 is valid from 24:00 to 05:00).

The company is not responsible for leaving the minor at the right bus stop!

For a minor who travels alone, the company recommends to take in written form parents contacts with him/her.

### International routes

A person aged 0-13 (incl.) can travel abroad only with the accompanying person (parent, attendant). Due to the country of destination, please be sure to familiarize yourself with the requirements of the destination at the border crossing with minors before the trip.

The attendant must have a minor child parent's permission for traveling. The format of the permission (letter/document prepared by a notary) depends on destination country requirements. If only one parent is traveling and his/her surname is different from minor's, it is advisable to include an extract from the population register.

Unaccompanied can travel from the age of 14 years old. When traveling alone, the child must definitely have the consent of the parents to travel (together with the contact details of the parent(s)). For a minor child who travels alone, the company recommends to take in written form parents contacts with him/her.

The minor must have a valid travel Document valid travel ticket. When planning a trip for a minor, please take into account the Child Protection Act, which states that minors under 16 years of age may not be present in public places unaccompanied at 23:00-06:00 (01.06-31.08 is valid from 24:00 to 05:00).
